

## **Regional Manager Argyll & Islands**

### **About Us**

The National Farmers' Union of Scotland (NFUS) is the largest representative body of farmers and crofters in Scotland. With over 8,500 members we are the voice of Scottish farming and represent our members on political and regulatory matters to secure a sustainable and profitable future for Scottish agriculture.

### **About the Role**

We are seeking to appoint an individual to manage our Argyll & Islands Region. Working closely with colleagues throughout NFU Scotland you'll ensure that the farming industry's voice is being heard in your region and you will help shape the future of the industry in the process. Excellent people skills and communication skills are necessary and knowledge of the farming industry and its supply chain would be beneficial.

As one of our Regional Managers you will co-ordinate and champion the work of NFUS in your region and be the local face of NFU Scotland. You will represent the organisation at a regional level and engage with industry stakeholders and other external contacts. You will manage and work with a team of local staff and NFUS members in your region, to ensure members are represented locally in the work and activity of the organisation.

### **What's on offer**

- Salary commensurate with competence, £30,000 - £38,000 per annum
- 24-month Fixed Term Contract
- Full or Part time hours will be considered
- Working from home
- Free Employee Assistance Program (EAP)
- Generous holiday entitlement
- Pension with a 10% employer contribution

You must live in the Argyll and Island region as this will be the region you will be covering or be able to demonstrate how you would cover the activities in the region. This role requires you to work some evenings each month.

**To apply**

Please send your CV with a covering letter and details of your current remuneration package to Alison McLean at [recruitment@nfus.org.uk](mailto:recruitment@nfus.org.uk). The closing date for applications is Sunday, 30 January 2022. A full job description is available on request.
